Subject: Recognition of your dual creations

Governor Palin,
As a citizen of Alaska i feel compelled to recognize, support, and convey my warmest regards for you, your husband, and your family for your newest and expected upcoming member to your family....

If i might take this liberty; As it is my belief that you are a product of your family as your family is a product of you, i thank you all
for your being our Governor who has, is and hopefully will continue to bring us Alaskans many more **new and special creations** in which we continue to be proud to reflect, review, and share in with you.

By new and special creations i am referring also to such things as:

Pregnancy in Office (naturally)
Honest Government
Open Government
The AGIA Process (Testimony)
Ability to participate in the Government process
Common Sense Reasoning and Courtesies
Open and Honest Dialog
Convictions to find the truth
Establishing Priorities

Alright, i am losing the point somewhat here... Anyway, Thanks Gov. and Todd or MR. Palin,
Man oh man, dude , i am not sure i would be able to handle all this...While all of the rest must be thinking your a lucky guy (no doubt); well, i am kinda thinkin she is also a lucky Governor to have a strong husband and family....

My formal best and warmest regards,

Paul D.Kendall

Speaking of updates, Cora and I hit about half of the leggies we need to hit for BOF. More meetings tomorrow, the presser's being drafted for a release of Tues morning (at Sharon's discretion).

So far all I have spoken to are cautiously positive on our plan for the 3 slots.

Ok- thanks for the update. I've been wondering where it was. I'm double/triple checking on the Earmarks op-ed piece too...things seem to fall into thin air and I don't hear about them unless I'm bugging folks to find out. I emailed Sharon and Beth on the Earmarks piece just a bit ago.

Yes, the Frontiersman and Juneau Empire have it. ADN probably won't publish because your CON op ed was just published two weeks ago. I will do some checking and have an update in the a.m.

True. Bob Cockrell said he carried him all around the U.S., which means Mrs. Cowper got to travel with the Gov, unlike me where we're told Todd doesn't go unless it's an official First Gentleman duty. Odd that we're in a different boat.

We can try other approaches with adn, then, like having it rewritten into Katz's words, or even Persily's. Then they can submit.
